INTRODUCTION

The Kiwanis Club - Faces of Valor Documents were donated by the Kiwanis Club of Clarksville, Tennessee. The collection contains approximately 1000 items arranged into 5 boxes. Access to this collection may be permitted for the purposes of personal and scholarly research. The Montgomery County Archives requires that the following credit line be used in all publications to identify that the image or document used is from its holdings: *Courtesy of the Montgomery County Archives*. Specific citation of where the image or document is located (collection, box, folder, etc.) should be made in an acknowledgements section, footnote, or bibliography.

SCOPE AND CONTENT NOTE

In 2013, 2015 and 2017, the Kiwanis Club of Clarksville, Tennessee donated materials for this collection to the Montgomery County Archives. This collection includes the questionnaires and supporting biographical documents submitted for inclusion in the 2013 publication *Faces of Valor, Volume III*, the 2015 publication *Faces of Valor, Volume IV*, and the 2017 publication *Faces of Valor, Volume V*.

In 2005 the Kiwanis Club of Clarksville published the first edition of *Faces of Valor* as a guide book to an exhibit of local veterans' photographs on display at the Montgomery County Courthouse. The overwhelmingly positive response of community members spurred the Kiwanis Club to produce more volumes, adding to the number of Montgomery County veterans honored by the project. The documents included in this collection are for three editions of *Faces of Valor*, Volume III, which was published in 2013, Volume IV, which was published in 2015, and Volume V which was published in 2017. The questionnaires and supporting documentation in this collection are the items that community members submitted in order to have their veteran included in the publication. Some of the items submitted include copies of discharge papers, service award citations and certificates, newspaper clippings, biographies and photographs. This collection is arranged by publication and in the original order that it was placed in by the Kiwanis Club of Clarksville.

Original photographs were removed from the collection and placed with the Montgomery County Photographs Collection, with the exception of full-page photographs which were left in their original location.
