MONTGOMERY COUNTY
ANIMAL CONTROL REGULATIONS (05-3-6)

1. The purpose of these Regulations are to promote the public health, safety and general welfare for the citizens of Montgomery County, Tennessee in its unincorporated areas and to ensure the humane treatment of animals by regulating the care and control of animals within Montgomery County, Tennessee in its unincorporated areas.

2. When used in these Regulations, the following words, terms, and phrases, and their derivations shall have the meanings ascribed to them in this section except where the context clearly indicates a different meaning:

Definitions:

(a) *Animal* means any live creature, both domestic and wild, except humans. “Animal” includes fowl, fish and reptiles.

(b) *Animal control officer* means an employee or agent of the County, designated by the County Mayor to administer and enforce the licensing, inspection and enforcement requirements contained within these Regulations.

(c) *Animal hospital* means any establishment maintained and operated by a licensed veterinarian for surgery, diagnosis, and treatment of animal diseases and injuries.

(d) *Animal nuisance* means any nuisance arising out of the keeping, maintaining or owning of, or failure to exercise sufficient control of, an animal.

(e) *Animal shelter* means any facility operated by the County or humane society for the temporary care, confinement and detention of animals and for the humane killing and other disposition of animals. The term shall also include any private facility authorized by the County Mayor or his/her designee to impound, confine, detain, care for or destroy any animal.

(f) *At heel* means a dog is directly behind or next to a person and obedient to that person’s command.

(g) *At large* means that an animal is off the premises of the owner, and not on a leash or otherwise under the immediate control of a person physically capable of restraining the animal.

(h) *Cruelty* means any act or omission whereby unjustifiable physical pain, suffering or death of an animal is caused or permitted, including failure to provide proper drink, air, space, shelter or protection from the elements, a sanitary and safe living environment, veterinary care or nutritious food in sufficient quantity. In the case of activities where physical pain is necessarily caused, such as medical and scientific research, food processing, customary and normal veterinary and agricultural husbandry practices, pest elimination, and animal training and hunting, “cruelty” shall mean a failure to employ the most humane method reasonably available.

(i) *Disposition* means adoption, quarantine, voluntary or involuntary custodianship or placement, or euthanasia humanely administered to an animal. “Disposition” includes placement or sale of an animal to the general public, or removal of an animal from any pet shop to any other location.

(j) *Domestic animal* includes dogs, cats, domesticated sheep, horses, cattle, goats, swine, fowl, ducks, geese, turkeys, confined domestic hares and rabbits, pheasants, and other birds and animals raised and/or maintained in confinement.

(k) *Enclosures* for dogs and puppies shall be a fence or structure of sufficient height and construction to prevent the animal from leaving the owner’s property. The fence or structure must be in good repair and fit to ground level or a fabricated structure that prevents the animal from digging out. Gates and doors must fit properly and must be locked or secured by a latch that prevents the animal from opening the gate or door. The enclosure must contain adequate shelter from the weather.

(i) Property enclosed by a buried wire which produces a signal received by a device attached to a collar worn by the dog or puppy which prevents the animal from leaving the property of the owner will be considered a proper enclosure, provided the device and signal are working and the animal does not leave the property unrestrained. The enclosure must contain adequate shelter from the weather. This type of enclosure is not acceptable for a female in heat. An unrestrained dog(s) that attacks a dog restrained by this method may be charged with being a POTENTIALLY and/or DANGEROUS DOG as defined by this resolution.

(ii) Enclosures for POTENTIALLY AND DANGEROUS DOGS shall be a secure confinement indoors or secure confinement in a locked pen, fenced yard, or structure measuring at least 6 feet in width, 10 feet in length, and 6 feet in height, capped if there is a dog house inside or if dog can climb fence, with secure sides, which provides proper protection from the elements for the dog, is suitable to prevent the entry of young children, and is designed to prevent the animal from escaping while on the owner's property. A “**DANGEROUS DOG**” sign prescribed by Montgomery County Animal Control must be posted at the entry to the property.

(l) *Exotic animal* means any live monkey, alligator, crocodile, cayman, raccoon, skunk, fox, bear, sea mammal, poisonous snake, member of the feline species other than domestic cat (*felis domesticus*), member of the canine species other than domestic dog (*canis familiaris*) or any other animal that would require a standard of care and control greater than that required for customary household pets sold by commercial pet shops or domestic farm animals.

(m) *Guard or attack dog* means a dog trained to attack on command or to protect persons or property, and who will cease to attack upon command.

(n) *Impoundment* means the taking into custody of an animal by any police officer, animal control officer, or any authorized representative thereof.

(p) *Muzzle* means a device constructed of strong, soft material or of metal, designed to fasten over the mouth of an animal to prevent the animal from biting any person or other animal.

(q) *Owner* means any person having temporary or permanent custody of, sheltering or having charge of, harboring, exercising control over, or having property rights to, any animal covered by these Regulations. An animal shall be deemed to be harbored if it is fed or sheltered for three (3) or more consecutive days.

(r) *Public nuisance animal* means any animal that unreasonably annoys humans, endangers the life or health of persons or other animals, or substantially interferes with the rights of citizens, other than their owners, to enjoyment of life or property. The term “public nuisance animal” shall include, but not be limited to:

Part 1 Counties Generally

Tenn. Code Ann. § 5-1-118 (2013)

5-1-118. County powers shared with municipalities.

(a) Counties, by resolution of their respective legislative bodies, in addition to other powers authorized by general law or private act, may exercise the following powers granted to all or certain municipalities by the following code sections:

(1) Section 6-2-201(3)-(8), (10)-(13), (18), (19), (26) and (28);

(2) Section 6-54-103;

(3) Section 6-54-110;

(4) Section 6-54-307; and

(5) Sections 6-54-601 -- 6-54-603.

(b) Nothing in this part shall be construed as granting counties the power to prohibit or regulate normal agricultural activities.

*** (c) (1) In addition to those powers granted to counties pursuant to subsection (a), any county may, by adoption of a resolution by a two-thirds (2/3) vote of their respective legislative bodies, exercise those powers granted to all or certain municipalities by § 6-2-201(22) and (23), except as provided in subsection (b) and subdivisions (c)(2) and (3). Any such regulations shall be enacted by a resolution passed by a two-thirds (2/3) vote of the county legislative body. The powers granted to counties in this subdivision (c)(1) apply only within the unincorporated areas.
