

August Informal and Formal County Commission Meetings will be Closed for Public Attendance

In accordance with the Governor's Executive Orders No. 16 and 51, regarding limiting gatherings to prevent the further spread of COVID-19, and allowing public meetings to take place by electronic means; the Informal County Commission on August 3 and the Formal County Commission meeting on August 10, both at 6 p.m., will be conducted in-person for County Commissioners only. The public will not be allowed in the meeting room.

Limiting public access to these meetings is necessary to protect the public health, safety, and welfare in light of COVID-19. The August County Commission meetings of the Montgomery County Board of Commissioners will only be open to the public via electronic means and can be viewed as a live stream video on the [Montgomery County YouTube channel](#) during the meetings or at any time after the meetings have taken place.

For members of the public who plan to address the County Commission about zoning cases at the Informal meeting on August 3 may do so via Webex from the first-floor training room of the Montgomery County Historic Courthouse. A member of the staff will be available to guide them through the process.

For more information about the August Informal and Formal County Commission meetings visit mcgtn.org or by calling 931-648-5787.

APPLICABLE LAND USE PLAN

Rossvie Road Planning Area - One of the most diversified areas of the county in terms of land use. It has the best remaining agricultural land. One of the fastest growing sectors of Montgomery County, Factors affecting growth all average to above average. The Industrial Park is also located in this planning area.

STAFF RECOMMENDATION: **DISAPPROVAL**

- 1.** The proposed zoning request is inconsistent with the overall development goals of the adopted Land Use Plan.
- 2.** While this property is located within the recently adopted Urban Growth Boundary "UGB", it lies on the outer border of such. The UGB was intended to identify areas of potential growth with a "20 year projection" urban areas should still grow from within incrementally & not project to the outer boundaries in the form of sprawl.
- 3.** Long-range projections for this planning area foresee this property to become single residential in the future it is currently considered premature based upon its lack of linkage to other higher density single family, goods/services, & utilities.
- 4.** Adequate infrastructure will serve the site & no adverse environmental issues were identified relative to this request.

Subject: Rezoning Case CZ-11-2020

To: <rpc@cityofclarksville.com>

Dear Regional Planning Commission Members,

My name is Shari Salyer, I have lived in the Kirkwood area for 30 years. I am writing this email to ask that you vote "NO" on CZ-11-2020, the rezoning of land at Kirkwood and Buck Road (Oliver Farm). Nearly 2,000 new residents at the Kirkwood Place, Fieldstone Village Apartments, and additions to Hickory Wild and Boyer Farms will soon be joining the already heavy traffic in this area. The traffic in the Kirkwood area has increased nearly 600% in the past few years. At this time we have an out-of-control development of the Kirkwood/Rossvie area. The roads can not handle the traffic from what has already been built, let alone adding all the new houses being asked for in this rezoning. Rossvie schools can not handle all of the children that are zoned to go there now! The Regional Planning Commission needs to listen to Mr. House, the Superintendent of Clarksville-Montgomery County Schools and put a moratorium on the building permits being allowed in this area until the roads and schools have time to catch up with the rapid growth. Not only are the schools unable to keep up with the growth but the Sheriff's Department and EMS can not respond in a timely manner.

Again, I am writing to ask you to vote "NO" on the Kirkwood and Rossvie area rezoning being put before you. The Regional Planning Commission and the full County Commission should follow through with their June 9th decision and deny this rezoning request.

Thank you for your time and consideration of this matter.

Regional Planning Commission,

I want to express my concern about the planned rezoning on 129 acres of prime farmland at the corner of Kirkwood Road and Buck Road (CZ-11-2020). My primary concerns are school safety & over-crowding and road safety.

Not including all the new homes already approved and currently under construction in Farmington Subdivision, Wellington Fields subdivision, has over 100 additional homes approved for construction. There are about 200 apartments currently under construction at Fieldstone Village Apartments on Dunlop Road across from Hickory Wild Subdivision and there are over 60 duplex units currently under construction off of Rollow Lane. All these units are currently zoned for Rossvie Schools Complex. How many additional students does that put in the Rossvie School Complex once these units become occupied, even if some were to be rezoned for other schools? What will the over capacity numbers be then? 125%? 135%?

1. As reiterated in last months denial of rezoning on Rossvie Road property(CZ-8-2020) adjacent to Stone's Manor, Rossvie Schools Complex is already well over capacity. This threatens the students zoned there's safety and their chance at a quality education as well! Our children deserve better!

2. We have lived at our current address on Kirkwood Road for over 25 years. Since the addition of traffic from the Wellington Fields Subdivision in the past 4 years, I have almost been run off the road numerous times on Dunlop Lane right after the intersection of Charles Bell Road. The road is very narrow and has 2 blind curves. There are several hairpin turns on Kirkwood Road as well. These are just two examples of the lack of adequate infrastructure.

While I am not opposed to responsible development, I feel that until infrastructure is improved, to include Rossvie Road safely widened to increase capacity and improve safety, all infrastructure improved in the Kirkwood and Dunlop Lane areas and the New Kirkwood Road Schools are completed or at least under construction, this land and any future zoning for residential increases in the Exit 8 area be deferred!

Thank You for your attention on this matter.
Respectfully,

Chris Morin

This rezoning will further reduce the quality of life and add problems to the residents already living in the area.

Problems exist with Traffic flow in general not to mention Safety.

It will add to the already over crowding of the Rossview School System.

Storm water systems as it relates to the underground water system will be adversely affected.

Hickory Wild, Welling Fields, Boyer Farm expansions and the two new apartment complexes on Dunlap Ln has already exasperating the problems.

All observations have been made over the last 26 years.

TRAFFIC FLOW.

Traffic flow to and from the area has steadily worsened over the last few years. With the continued expansion of Hickory Wild, Wellington Fields, Boyer Farms and the two new apartment complexes on Dunlap are already causing problems this new expansion will only make the problem much worse.

Dunlap Ln has several problems, The 90 degree curve between Rollow Ln and John D Tyler Blvd has numerous near collisions every day. *** The next problem on Dunlap Ln is where it goes through the woods and S turns between Charles Bell Rd and Kirkwood Rd. The road is narrow and the ditches on either side are very deep and steep with no overrun available for cars and large trucks attempting the curve on a daily basis. Numerous cars, trucks, and motorcycles have had to be pulled out of the ditches. On coming traffic crossing the center line leave many cars with no place to go or have a head on collision. The ditch is the only alternative. *** Continuing with Dunlap Ln, the intersection of Rollow Ln with Dunlap has numerous near collisions daily. Visibility from Rollow Ln is very poor trying to enter onto Dunlap Ln. *** I believe all of these need to be addressed and corrected prior to authorizing any additional building in the area.

Charles Bell Rd is in worse condition than Dunlap Ln. It is currently too narrow for existing traffic and the road bed has many problems On Saturday, 20 June 2020, while driving towards the industrial park and while well on the road service and while meeting another car and pick up truck, the road way gave way under my right front wheel causing the mini-van I was driving to lurch towards the ditch. I was able to avoid the collision with the deep ditch, there and no overrun available at all. I stopped the vehicle and walked back to see what had happened. I am more than happy to come out and show and discuss with your engineers the problems. I too am an engineer. I am sure they can figure it out for themselves.

Bicycle and runner traffic causes considerable problems in the area on most afternoons and weekends.

SCHOOLS:

With the expansions already underway at Hickory Wild, Wellington Fields, Boyer Farms and the two new apartment complexes on Dunlap Ln plus this new proposed addition, the over crowding of the Rossview Schools is inconsiderate of the public's well being and the education goals of our children.

The potential for environmental damage to the the area is of utmost importance to me and the long term effects (See Under Ground Water System below). This rezoning will further reduce the quality of life and add problems to the residents already living in the area. The road network is not ready for the expansion already under way much less additional housing units.

From a point from where properties, Parcels 034 024.28, Parcel 034 024.09, properties join together and connect and join said parcel for rezoning Parcel 034 023.00, North about 50 feet, there is a BLUE HOLE. (That is a whole in the ground that is full of water year round and connects to the underground water system. Not a sink hole.) The water is always the same year round and varies maybe an inch or so come flood or drought. I have dropped a 50 foot weighted line into the hole and did not hit bottom. About 20 years ago.

My concern is that as you mess with the area it will interfere with the natural drainage system and cause flooding in the back of my property and the three properties to the east and the fields to the east of that.

HICKORY WILD, WELLINGTON FIELDS, BOYER FARMS AND THE TWO NEW APARTMENTS COMPLEX.

Request the commission review what is already approved in the way of approved development and buildings for the area. Considerable attention needs to be given to addressing the previously mentioned concerns. The schools and road networks are extremely important as to the safety, environmental, and education aspect of expansions in the area.

It is understood that the expansion of the city and area is inevitable but it is, as I understand it, the planning commissions responsibility to make sure growth is pre-planned and all aspect of that growth is in accordance with the best practices for the city.

Take a close look at all the roads in the city and county. Many are in very poor condition.

The schools in the area are already so over crowded with all the new neighbors-hoods and apartment complexes being build in this area.

These country roads are getting too crowed with all the new homes going up.

How are you going to put in sewer lines in a neighborhood and keep us save from contamination with our septic tanks?

In the future plans they are not suppose to be building for another 15 years on this land, keep it agriculture!

Sango Planning Area: Growth rate for this area is above the overall county average. US 41-A South is the major east-east corridor spanning this area & provides an alternative to I-24 as a route to Nashville. SR 12 is also a corridor that provides a good linkage to employment, shopping and schools and should continue to support future growth in this portion of the planning area.

STAFF RECOMMENDATION: **DISAPPROVAL**

1. The proposed zoning request is inconsistent with the overall development goals of the adopted Land Use Plan.
2. This tract lies within the "Rural Area" of the adopted 2040 Growth Plan. The "Rural Area" lies outside of the 20 year growth projection of the Urban Growth Boundary. Properties within the "Rural Area" have been identified as areas for the preservation for agricultural lands, forests, recreational areas & wildlife management areas.
3. Preservation of large tracts of agricultural lands in the "Rural Area" should be prioritized. Moderate to large scale residential development in the "Rural Areas" is detrimental to long term planning goals & contributes to sprawl.
4. The frontage to this property is through Old Oak Plains Rd. Old Oak Plains Road is currently substandard. Improvements must be made to Old Oak Plains Rd. if there is an increase the intensity of any use accessing the road.

Mr. Spainhowerd,

(Would you please confirm receipt of this email; thank you)

I am contacting you to express my support of the above mentioned rezoning request. Our family farm is in County Commission District# 3, only about four miles from this proposed project. I believe the overall impact on our community will be positive. The workforce housing provided by the 37 single family homes in this development are badly needed by families that either already live in the area in substandard housing or would like to move here, if decent affordable housing could be found.

It was my pleasure to serve for three years on the Tennessee Housing Development Agency (THDA) Board, and I have seen firsthand the positive impact this type of development can have, both on the overall community and the families actually living in the housing created. It is important to remember that the residents are members for the workforce, and the lower rental rates mandated by this type of development allow many hard working families to have a better life. I strongly support this effort!

Please feel free to contact me if further clarification would be helpful.

Thank you and best regards,

Phil M. Baggett

**RESOLUTION TO ESTABLISH JUNETEENTH AS A LEGAL PAID HOLIDAY
FOR MONTGOMERY COUNTY GOVERNMENT AND EMPLOYEES
BEGINNING ON JUNE 19, 2021**

WHEREAS, Governor Bill Lee of the State of Tennessee by proclamation established June 19 as “Juneteenth Day” in Tennessee and encouraged all citizens to join in the same as a worthy observance; and

WHEREAS, June 19 as a date in history represents recognition of June 19, 1865, when in Galveston, Texas, enslaved men and women received word of General Order Number 3, proclaiming to the people of Texas that in accordance with the Proclamation from the Executive of the United States, that all slaves were free; and

WHEREAS, African American men and women of Texas were kept in bondage for over two years after President Lincoln’s Emancipation Proclamation went into effect and had not yet been freed; and

WHEREAS, churches and faith communities began then hosting “Juneteenth” celebrations to commemorate freedom for African Americans; and

WHEREAS, Tennessee was the first state among the states who seceded from the union during the Civil War to end slavery by law prior to the ratification of the Thirteenth Amendment; and

WHEREAS, June 19 gives us an opportunity to recount and remember that freedom has not always extended to every life in America; and

WHEREAS, Juneteenth celebrations across Tennessee serve to commemorate an end to enslavement and honor the heritage and memory of those kept from freedom for so long; and

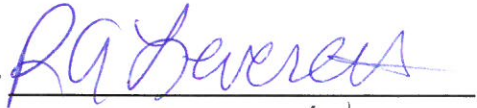

WHEREAS, every day is an opportunity to strive to more fully realize the ideals of our nation and ensure that the promise of a free and just society is guaranteed for every Tennessean; and

WHEREAS, Montgomery County should observe this holiday by closing its offices except those who serve around the clock such as our First Responders, Medical Services providers, Law Enforcement providers, and others, but Montgomery County's Personnel Policy and Practices should be amended to observe and account for this as a legal holiday as any other legal holiday for which compensation is paid as a holiday.

NOW, THEREFORE, BE IT RESOLVED by the Montgomery County Board of Commissioners on this 10th day of August 2020, that Juneteenth should be honored yearly by Montgomery County recognizing it is a closed paid legal holiday for all employees annually.

RESOLUTION ADOPTING THE MONTGOMERY COUNTY MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN

WHEREAS, the MONTGOMERY COUNTY MULTI-JURISDICTIONAL HAZARD MITIGATION PLAN (the ‘Plan’) was developed in accordance with and following the guidelines and requirements established, published and provided by FEMA and TEMA; and

WHEREAS, Montgomery County and its various departments, agencies, and operating units actively participated in and contributed to the preparation and development of the ‘Plan’; and

WHEREAS, the ‘Plan’ has been developed to guide each participating jurisdiction in planning for and mitigating local hazards; and

WHEREAS, the completion and adoption of a hazard mitigation plan is a condition of qualification for potential future mitigation funding.

NOW, THEREFORE, BE IT RESOLVED by the Montgomery County Board of Commissioners assembled in regular session on this 10th day of August, 2020, that the Montgomery County Multi-jurisdictional Hazard Mitigation Plan is hereby adopted.

**RESOLUTION APPROVING THE FORMATION OF A LAND REGULATION
ADVISORY COMMITTEE FOR THE CITY OF CLARKSVILLE AND
MONTGOMERY COUNTY, TENNESSEE**

WHEREAS, from time to time the text of the subdivision regulations or zoning codes of the city or county are updated by the City Council, County Commission, or Regional Planning Commission; and

WHEREAS, there is interest in establishing a working relationship with the City Council, County Commission, Regional Planning Commission, and the developers and home builders of the community to allow for an open exchange of ideas and concerns in order to implement orderly growth and address the future population expectations of the city and county; and

WHEREAS, the previously created Residential Development Commission has been obsolete for some time but there is merit in updating its purpose.

NOW, THEREFORE, BE IT RESOLVED by the Montgomery County Board of Commissioners assembled in regular session on the 10th day of August 2020 this legislative body repeals Resolution 92-12-2 and replaces it with this resolution; and

BE IT FURTHER RESOLVED that a Land Regulation Advisory Committee be formed to act as follows:

Committee Composition: The Land Regulation Advisory Committee, hereafter known as the “Committee”, shall be comprised of 7 total members, 2 members of the Clarksville City Council, 2 members of the Montgomery County Commission, and 3 citizens of Montgomery County involved in land development, home building, or real estate and doing business in Montgomery County.

The City Council and County Commissioner representatives shall be selected to 2-year terms without succession, appointed by their respective mayors.

The citizen members shall be jointly appointed by the Clarksville City Mayor and the Montgomery County Mayor. These appointments shall be for 2-year terms without succession.

A chairman and vice-chairman shall be chosen by vote of the Committee. A term of chairman or vice-chairman shall last one year without succession.

Ex-officio members on the Committee shall be comprised of the City Mayor, County Mayor, Director of the Regional Planning Commission, and Chairman of the Regional Planning Commission.

Purpose and Authority of the Committee: The Committee shall have no legal authority or policy-making authority with the City Council, County Commission, or Regional Planning Commission. The committee will be called to meet when significant changes to the text of the City

Zoning Ordinance, County Zoning Resolution, or Montgomery County Subdivision Regulations are proposed. This meeting shall take place prior to the Regional Planning Commission meeting where the Public Hearing is scheduled. The committee shall act as a sounding board to solicit input from the elected officials and the development community regarding the proposed legislation.

The City Mayor or County Mayor may request the Committee to convene on a specific topic involving land development to solicit input prior to development or policy or legislation following the proper meeting notification contained herein.

Meetings of the Committee: The committee shall meet at a minimum twice annually, or as required under its authority. The time and place of the meeting shall be posted at least 48 hours in advance on the City, County, and Regional Planning Commission calendars with a copy of the agenda and proposed legislation available for public review at the Regional Planning Commission office during normal business hours.

Governance: The Regional Planning Commission Director shall act as the secretary of the committee and be responsible for the agenda, notification, and minutes for each committee meeting. The order of business and conduct shall be governed by "Roberts Rules of Order".

Compensation: No financial compensation will be provided by the Regional Planning Commission. City Councilmembers and County Commissioners may be compensated according to their individual rules of meeting procedures.

Duly passed and approved this 10th day of August 2020.

Capital Projects – August 2020 – Construction Update Report

Rotary Park Nature Center

Architect/Designer: Lyle Cook Martin

General Contractor: B. R. Miller & Co.

Project Status: Construction

Contract Date: 07/11/2019

Contract Completion Date: 08/15/2020 Interior, 09/21/2020 Exterior, 09/30/20 Exhibits

Budget: \$220,000 (Design), \$3,050,000 (includes \$500,000 Grant for Construction)

Current Contract Amount: \$193,157 (Design), \$2,344,294 (Construction), \$42,047 (Data)

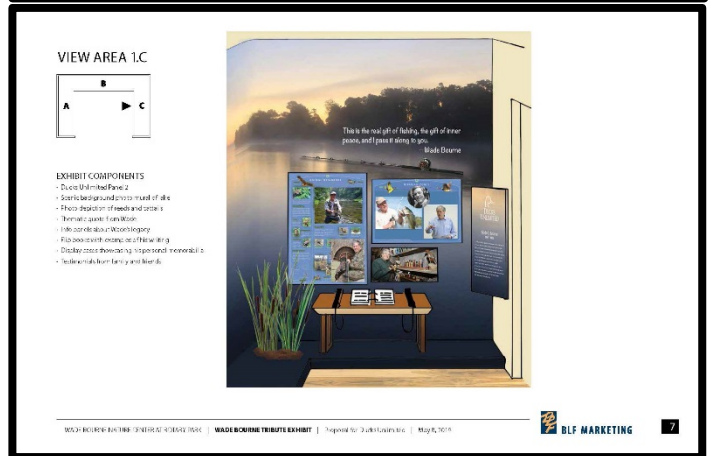

Percentage Complete: 85%

Comments:

- Building structure on interior and exterior is approximately 98% complete.
- Exterior parking lot stone has been completed. Asphalt will be put on parking lot in next few weeks. Sidewalks are nearing completion. Bio-Retention pond has been excavated.
- All landscaping plantings will be delayed until September to increase likeliness of survival.

Capital Projects – August 2020 – Construction Update Report

Barksdale Park & MeriCourt Park

Architect/Designer: Violette Architecture
General Contractor: TBD
Project Status: Design Development
Contract Date: TBD
Contract Completion Date: TBD
Budget: \$275,000 (Design)
Current Contract Amount: \$ 230,031 (Design), \$18,900 (Survey)
Percentage Complete: 10% Design

Comments:

- MeriCourt plans have been progressed through a schematic design phase and the scope of work has been revised as planning continues with the Park's Dept.
- Barksdale progress has slowed while bringing MeriCourt plans up to the same level of completion.
- Both projects will be developed concurrently through the design phase.
- Additional funding will be needed to complete the full design phase of each project.

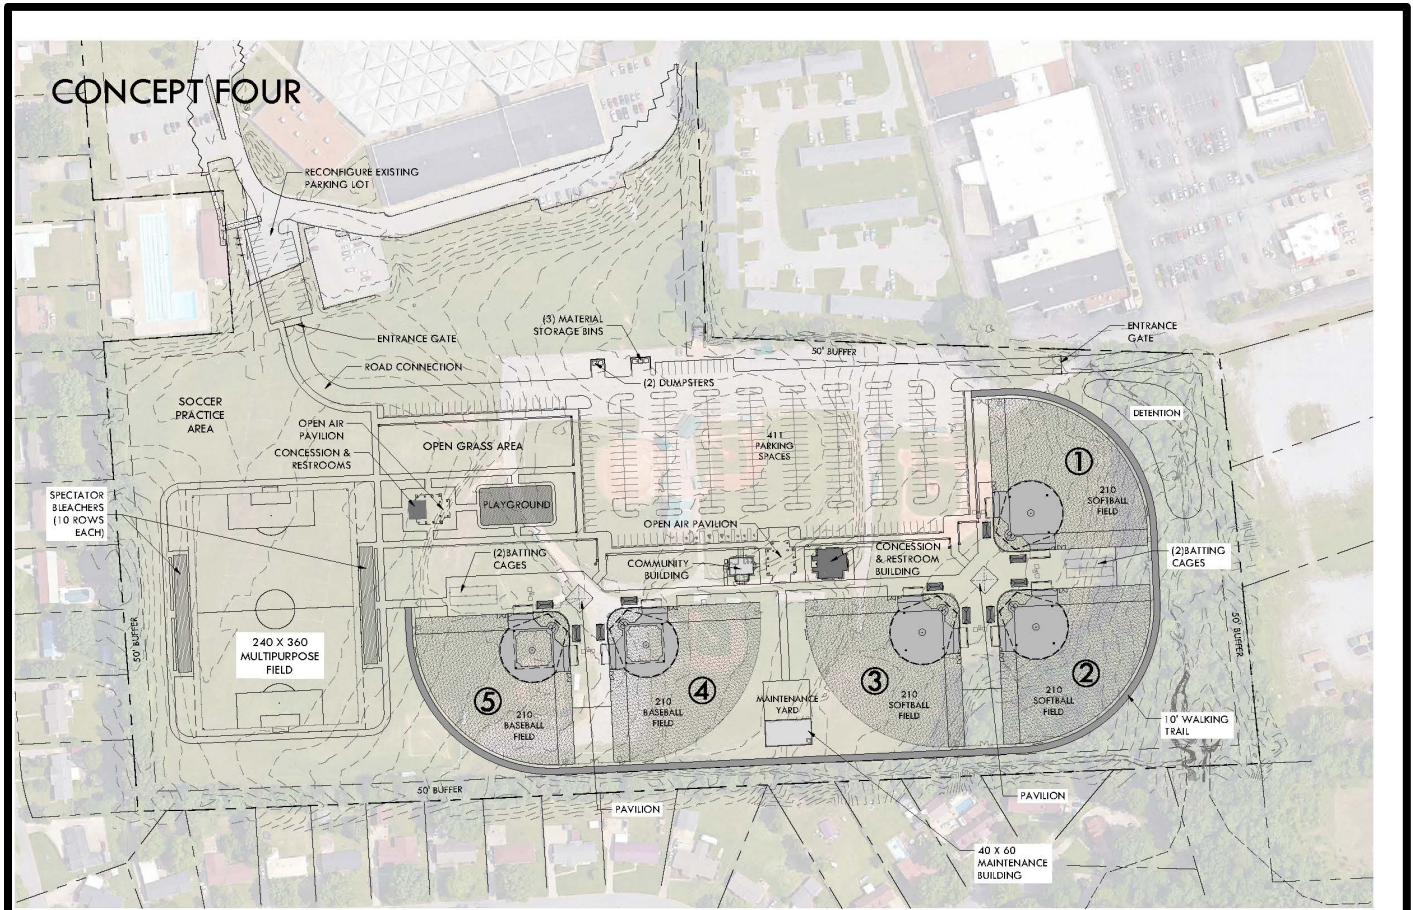

Capital Projects – August 2020 – Construction Update Report

Stokes Field

Architect/Designer: Moore Design Services
General Contractor: TBD
Project Status: Construction Drawing Phase
Contract Date: TBD
Contract Completion Date: TBD
Budget: \$ 600,000 (Design)
Current Contract Amount: \$ 509,400 (Design), \$30,345 (Survey), \$8,225 (Geotech)
Percentage Complete: 90% Design
Comments:

- Construction Drawings are continuing and should be completed late summer or early Fall. The priority attention to complete this project for a bid has been reduced since funding was not secured in July. This project will be ready for a bid as soon as the next funding discussions occur.
- Small improvements will be completed on the existing school parking and connection roadway for connectivity. (5) baseball fields, (1) multipurpose field, playground, increased parking, and associated concession and pavilion structures are planned.

Capital Projects – August 2020 – Construction Update Report

Library Branch

Architect/Designer: HBM Architects
General Contractor: Codell Construction
Project Status: Construction Documents Design
Contract Date: TBD
Contract Completion Date: TBD
Budget: \$ 943,744 (Design + Pre-construction services)
Current Contract Amount: \$ 55,000 (Preconstruction Phase Services) \$864,813 (Design)
Percentage Complete: 98% Design
Comments:

- Design plans are completed. The sub-contractor bid package is still being finalized. Contractor has been pricing each plan submittal to help with staying on budget.
- A bus transfer station has been accommodated on the northern portion of the property for 4 busses operated by the Clarksville Transit System. This portion of the project will be bid out separate from the primary bid, and the City will be responsible for funding on the bus transfer details.
- This project will be ready to bid as soon as the next funding discussions occur.

Capital Projects – August 2020 – Construction Update Report

Public Safety Training Complex

Architect/Designer: Moore Design Services & J. Clark Architects
General Contractor: Pride Concrete, LLC
Project Status: Construction
Contract Date: 8/29/2019
Contract Completion Date: 12/8/2020
Budget: \$300,000 (Design) \$6,040,000 (Construction)
Current Contract Amount: \$395,300 (Design) \$5,694,212 (Construction), \$129,000 (Data/Other)
Percentage Complete: 60%

Comments:

- Mass grading work and bedrock removal are complete. Multiple soil berms surrounding the gun range had to be cut out and regraded due to a slope issue caused by the heavy rains. One of those slopes remains to be reworked and all others are completed. Topsoil is now being placed around the berms for stabilization. Rain will continue to hamper this project, but progress is consistently moving forward.
- The training building has been constructed and interior finish work is ongoing. Gun range canopies are being installed. Range baffles and targets will begin to be installed in the next month or two.

Capital Projects – August 2020 – Construction Update Report

EMS Station 20- Haynes St.

Architect/Designer: J. Clark Architecture & Design, LLC
General Contractor: TBD
Project Status: Design Development Phase
Contract Date: TBD
Contract Completion Date: TBD
Budget: \$60,000 (Design), Pending (Construction)
Current Contract Amount: \$52,920 (Design)
Percentage Complete: 60% Design
Comments:

- EMS Station 20 is located on Haynes Street that is along the Madison Street Corridor.
- Construction work will be completed concurrently while crews are still working out of the vehicle bay, but the station's office and living area function will temporarily be relocated to the old Administration Building which is still vacant.
- Design will address interior renovation and improvements as well as exterior roof and parking lot.
- Construction Design plans continue but funding will be needed to move into bidding/construction.

Capital Projects – August 2020 – Construction Update Report

EMS Station 22 – Warfield Blvd.

Architect/Designer: Montgomery County Engineering

General Contractor: TBD

Project Status: Design

Contract Date: TBD

Contract Completion Date: TBD

Budget: \$309,275

Current Contract Amount: \$TBD

Percentage Complete: 100% Design

Comments:

- MCG Engineering has completed a design plan for exterior improvements of building façade and asphalt parking lot. ADA restroom improvements are also being addressed on the interior of the building.
- Project was previously delayed due to COVID-19, but EMS Administration is now ready to bid this project, and that will begin within a couple of weeks.

Capital Projects – August 2020 – Construction Update Report

Facilities Warehouse Roof

Architect/Designer: Montgomery County Engineering

General Contractor: Genesis Roofing Company

Project Status: Bidding/Contracts

Contract Date: TBD

Contract Completion Date: TBD

Budget: \$200,000

Current Contract Amount: \$ 119,622

Percentage Complete: 0%

Comments:

- Membrane overlay and internal gutter design has been completed and bids were received 7-30-20.
- 10 roofing contractors showed interest in the bid.
- Pre-construction meeting will be held and contracts are to be signed.

Capital Projects – August 2020 – Construction Update Report

Veterans Plaza Reroof

Architect/Designer: Tremco
General Contractor: Tremco
Project Status: Construction
Contract Date: 3/17/2020
Contract Completion Date: 11/23/2020
Budget: \$700,000 (Phase I), \$1,600,000 (Phase II)
Current Contract Amount: \$ 579,777 (Phase I), \$1,562,563 (Phase II)
Percentage Complete: 30%

Comments:

- Project has been developed through the State Contract, and Montgomery County Engineering has worked with Tremco to establish a roof coating system that will rejuvenate the existing roof membrane for an additional 20-year warranty. New coating will be a white color to aid in energy efficiency.
- Roof cleaning started in April on approximately 1/3 of the roof area (Phase 1). Phase 1 was completed in June and a contract Change Order has been issued for Phase 2. Pressure washing began last week on the remaining areas of the roof for Phase 2. Roof repairs will begin this week, and the remaining coating process will start next week. All work should be completed by November or earlier.

Lafayette Road Widening

Architect/Designer: Gresham, Smith & Partners

General Contractor: TBD

Project Status: Right of Way Acquisition

Contract Date: TBD

Contract Completion Date: TBD

Budget: \$2,575,000

Current Contract Amount: TBD

Percentage Complete: 92%

Comments:

- All land offers have been made. 5 properties have closed. 2 properties are still to be closed and have been difficult to get completed due to mortgage issues and funding interests by the TN Land Trust.
- Final Construction Plans will be completed after ROW has been acquired, followed by a bid. The bid date continues to be pushed out due to delays in acquiring the necessary Right of Way to move into the next approved phase of the project. Uncertain of bid date at this time.

Capital Projects – August 2020 – Construction Update Report

Upcoming/Ongoing Projects

ADA Transition Plan

Architect/Designer:

Montgomery County Engineering

Project Status:

EMS 20 and EMS 22 renovation projects are addressing some issues found within the County-wide self-evaluation. Additional repairs and adjustments are being scheduled for work through the MCG Facilities Department.

Animal Control

Architect/Designer:

J. Clark Architects

Project Status:

New land purchase has experienced setbacks and additional land is being reviewed/considered. Design phase will begin once funding is secured and land has been chosen and surveyed.

Historic Courthouse Roof/Windows & Jail Exterior Brick Study

Architect/Designer:

MCG Engineering (currently)

Project Status:

Coordination was previously done with an exterior investigation team and a proposal was received that did not fulfill the requirements of the County's request. MCG Engineering has re-evaluated this and commenced a re-roofing design for the Courthouse as the most pressing project. After further evaluation of the Courthouse roof slate it was determined that what previously looked to be delamination from a distance was just slate that had a buildup of biologic growth. A cleaning project is being coordinated along with the flat roof replacement. Damaged and missing slates will be replaced at that time. There were not any visible signs or reports that the windows had leaked over the past year until a significant storm event around the middle of July that caused leaking at multiple windows throughout the Courthouse. The conditions that create these leaks continue to be difficult to diagnosis, but we are looking to complete a brick sealing and window sealant project. This project may be coordinated with the Jail Exterior Brick sealant project, but it could be separated pending funding availability.

Montgomery County Rail Service Authority

Architect/Designer:

Montgomery County Engineering & CSR Engineering

Project Status:

Currently bidding a Timber Repair project that is funded by Grant dollars. Multiple other grants applications are currently be reviewed by Feds.

Capital Projects – August 2020 – Construction Update Report

Veterans Plaza Adult Probation/PDI Renovation

Architect/Designer:

Montgomery County Engineering

Project Status:

Project requested by Adult Probation using reserve funds to renovate one small area of the Training Room at Vets Plaza. Design plans were completed in-house by Engineering and the project is currently in the bidding phase.

Veterans Plaza Data Room Generator & HVAC

Architect/Designer:

Smith Seckman Reid, Inc.

Project Status:

SSR is designing a dedicated Generator and HVAC system specifically for the Property Unit Data room. Plan completion has been bumped down due to construction funding being pulled, but this project will be completed before the Fall and will be ready to bid once funding is available.

Veterans Plaza Rekeying

Architect/Designer:

Montgomery County Engineering

General Contractor:

Schiller Hardware - Phase 1, TBD- Phase 2

Project Status:

Hardware replacement and lock replacement has been completed for Phase 1. Phase 2 is being designed and programmed with the remaining departments.

Weakley Park

Architect/Designer:

Interior Design – Montgomery County Engineering

Project Status:

MCG Engineering has completed a Schematic Design and coordinated a structural inspection of the existing building. Current funding will be used to coordinate a Master Plan of the entire park.

Rossview Road Widening

Architect/Designer:

TBD

Project Status:

Application has been submitted to TDOT and contracts are being developed. Advertisement for Design firm will be forthcoming as soon as contracts are finalized.

If (1) the debt has a final maturity of 31 or more years from the date of issuance, (2) principal repayment is delayed for two or more years, or (3) if debt service payments are not level throughout the retirement period, then a cumulative repayment schedule (grouped in 5 year increments out to 30 years) including this and all other entity debt secured by the same source **MUST BE PREPARED AND ATTACHED**. For purposes of this form, debt secured by an ad valorem tax pledge and debt secured by a dual ad valorem tax revenue pledge are secured by the same source. Also, debt secured by the same revenue stream, no matter what lien level, is considered secured by the same source.

CLARKSVILLE-MONTGOMERY COUNTY PUBLIC LIBRARY YEARLY REPORT

FY 2019-20 was a year of designing for the future and an unexpected event

STRATEGIC PLANNING

An ambitious new 3-Year Strategic Plan 2019-2022 and associated implementation plan initiated in July of 2019. The plan covers five different areas – increasing awareness of the library, transforming for the future, expanding to the new branch library, enhancing services and programs and fostering and developing resources. The Library Director reported to the Library Board each quarter on the progress of the plan.

NORTH BRANCH PLANNING

Full design funding for the proposed North Branch library was approved early in the fiscal year. Design proceeded very quickly, with the first 3D model created in early December. Codell Construction was brought in early in the design process to be able to give a local, more accurate cost estimate, and to ensure that there would be no surprises moving forward through design and construction. Design of the library was substantially completed in June of 2020. Funding for construction, however, was delayed due to COVID-19-related funding concerns until at least January of 2021.

PERSONNEL AND OPERATIONAL HIGHLIGHTS

A compensation study looking at rates of pay for county employees was produced for Montgomery County Government in the spring of 2019. The resulting recommendations were implemented at a cost of 4.3 million county-wide with the vast majority of library staff receiving a significant raise passed by the County Commission in July. Shelves received the most significant boost as a group, with the starting pay increasing from \$10.03 to \$11.59 per hour. Public Service Associates remained at their grade but received an increase. Other grade reclassifications came with the following positions: Communication and Events Coordinator, Marketing Associate, Catalogers, Account Tech, Overdues Manager, and Sr. Systems Support Tech which all were pushed up a grade or more. Supervisors, Sr. Library Associates, the Asst. Director and Director positions were all found to be at market value or above and did not receive a raise as part of this study nor any COLA. Staff were very happy with this increase, which took effect beginning July 29, 2019. Award-winning Youth Services Supervisor Jean Nichols retired in July after 32 years of service. She had built the children's department from non-existent to being one of the leaders in the state during her tenure. Senior Systems Support Tech Anthony Look resigned in December. His replacement Jordan Bagley came on board in early February and has become a huge asset to the library in his time thus far. A Shelves and Public Service Associate were replaced and the library's Marketing Communications Associate left in June, 2020.

MATERIALS AND RESOURCES

Hoopla continued to grow as a resource for the library, both in usage and cost. This Netflix-like product offers a variety of options, with the latest music, audiobooks, which are the most-used product, television and comics. The library will discontinue Freegal and Mango in the next fiscal year to help fund hoopla and other needed budget items. Due to COVID-19 and the need to finish out the library's materials budget quickly upon staff return to the library, the ebook/audiobook portion of materials spending doubled for the year. It was a great boon to the library to have such wonderful online resources for patrons to use during the COVID-19 period.

TRAINING

Eight CMCPL staff members attended the Public Library Association Conference that was held in Nashville at the end of February. A combination of Special Projects and operational funding was used to achieve this. By having staff join the TN Library Assn and paying the fees in December, a large price break was achieved that made this much more affordable. By attending a national conference which is specifically targeted for public libraries, various staff members experienced a mind-opening event that they could build on.

BUILDING

The library continued to renew and change various in areas of the current building as could be executed before the 2nd phase main refresh happens. The enclosed Children's Department saw repainting of all walls to provide fresh color (to match the library's branding) and remove the dated stenciling. Each of the 11 original murals in that room from 1997 were digitally preserved by photographer David Smith through both photography and video and then reproduced on canvas and relocated to the 2nd floor genealogy room. Shelving was placed in that area to move the children's DVDs to that room. This now allows parents and caregivers the convenience of browsing the children's DVD collection while remaining inside the children's area and then proceed to the circulation desk as a final step before leaving the library. The Teen space (The Loft) was also re-evaluated after its initial refresh with furniture and other items being purchased with private funding to enhance this area along with the Children's room.

PROGRAMMING

Collaboration was the name of the game this fiscal year as the new strategic plan guided the library towards more collaboration and use of internal staff talents. COVID-19 forced the library to find a way to conduct the entire Summer Reading Program online, with story times, crafts, a Juneteenth feature and some fun and entertaining videos to lighten the mood during COVID-19 quarantining. No in-person programming occurred from March through the end of the fiscal year.

GOOGLE GRANT

New maker materials and laptops were purchased through a \$25,000.00 grant funding by the Tides Foundation, the giving arm of Google. These items will be used to provide classes targeted to nearby Moore Magnet School and also to provide teachers in the school system maker kits for checkout. The objective was to provide programming in the

library's new Makerspace and to serve underserved populations in the community as well as to better collaborate with the school system. Rollout of these items in programming and to CMCSS was halted due to COVID-19.

LARGE EVENTS

Sci-Fi Expo and Harry Potter Book night continue to draw large crowds as did a holiday performance by Magician Scott Humston. Noon Year's Eve – a celebration of New Year's Eve at noon with a balloon drop, so that children can celebrate garnered 240 attendees. All of this was, of course, prior to COVID-19.

COVID-19

The library, like all other businesses and government agencies was radically affected by COVID-19. On March 19th, the library closed to the public with the book return closing on March 31st. The library remained closed though the entire month of April with a few people, such as the Director, AD and Account Tech in the building to keep it up and running. All other staff worked from home or did not work according to their job requirements. All continued to be paid by Montgomery County. On May 4th, the library reopened, offering very limited service, with all items (3 max) for checkout having to be placed on hold and quarantining of books for 3 days. No programming and no meeting room use was allowed through the end of the fiscal year and beyond.

June saw increased service with 10 holds allowed, the opening of a browsing room, so that some book selection was available, especially of new items and the opening of the much-requested public computer lab and copier. The library remained in phase 2 more than a month longer than the County, which essentially resumed pre-COVID activities on June 22nd. The plan at the time of this writing was to reopen the library more fully as of August 3rd, if COVID statistics held up.

STATISTICS

Circulation for the year was greatly affected by the COVID slowdown and full closure of the library in April. Overall circulation was down by 73% in April and 63% in May with usage of online products, such as READS well up because of ease of use from home.

TECHNOLOGY

The AMH sorting machine continued to prove itself as a highly economical tool and is paying for itself in staff time that can be used for other purposes. Special projects funding paid for a full rewire of low-voltage infrastructure in the building – everything to do with internet connections. This was needed because connections were faulty, unlabeled and often had multiple outdated switches. The new cabling runs directly back to the 2nd floor server room allowing faster speeds and an accurate knowledge of where outlets are located according to a map and also a dedicated rack with the updated structure.

The replacement of all public computers was nearly completed in fiscal year 2020-21 with only 5 remaining to be purchased. The replacement project will be completed by the end of calendar year 2020.
