

Courts Center Annex

Project Description:

The Courts Center Annex building was purchased from the Batson & Nolen Law Firm for the purpose of relocating multiple departments from within the Courts Center for the expansion of the Courtroom buildouts. This newly renovated facility has given each of these departments the space and resources that they need, and has provided the close proximity to the Courts Center to continue to efficiently coordinate with the Court hearings and the residents that are cycling through the court system. This project has been completed.

Design Team:

Montgomery County
Engineering

Total Project Cost:

\$1,033,503

Contractor Team:

C & C Contracting

Contract Completion:

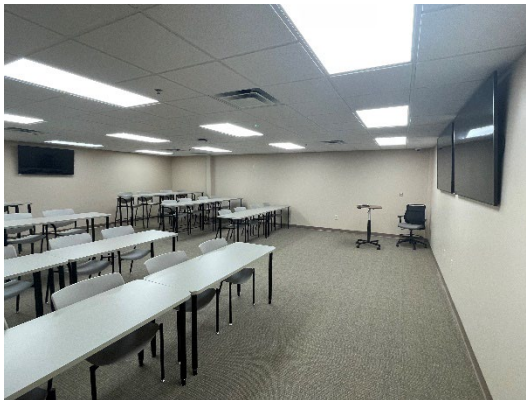

April 2024

Wes Golden
County Mayor
