

Lone Oak Community Center

Project Description:

This project will receive a full interior renovation to transform it from the prior Lone Oak Church to the Lone Oak Community Center, which will be managed by the Montgomery County Parks Department. Foundation excavation and water proofing is required to further utilize the existing basement. The steeple and stain glass windows will be removed to make this transformation while preserving the structure. The interior will receive a refresh, a new kitchen, flooring, a fresh coat of wall paint, audio wiring/equipment, and the exterior will get some updated ADA sidewalks and ramps for better entry into the upper and lower levels.
