

Animal Control

Project Description:

This project included the construction of a 23,000 square foot facility that replaced the existing Animal Control facility on North Spring Street. This facility is located at the intersection of Purple Heart Parkway and Jordan Road. The dog kennels include an interior and exterior area for each dog, along with a turf grass exterior dog run. All areas of the cat and dog wings were constructed with modern features and durable surfaces for long term use. The facility also includes a dedicated veterinary surgical suite.

Design Team:

Shelter Planners of America/
J Clark Architecture + Design

Total Project Cost:

\$15,373,051.75

Construction Manager:

Codell Construction Company

Completion:

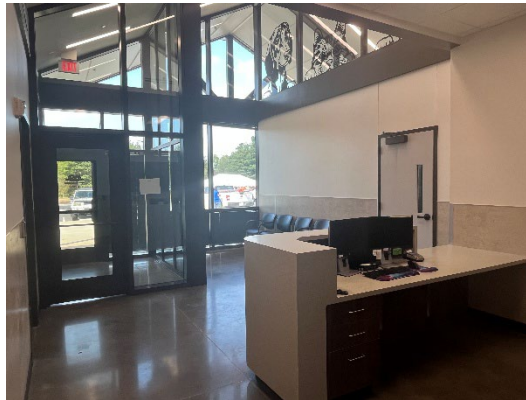

September 2025
