

North Branch Library

Project Description:

This project included the construction of an approximately 16,000 square foot library for north Clarksville that is located at the intersection of Purple Heart Parkway and Jordan Road. At the time of its completion, this is the 2nd library for Montgomery County and is outfitted with a modern look and amenities. All associated parking area, access drives, and an outdoor patio space were included as part of the project.

Design Team:
HBM Architects, LLC

Total Project Cost:
\$12,157,011.82
