Prohibited Contract Clauses or Provisions

Montgomery County is not allowed to waive or limit liability, nor waive or limit the legal rights it would have under existing law to recover its losses under Tennessee law by contract. Powers to do so simply are not granted by the State to a county. In part, it is impermissible for counties to agree to limitations on liability and indemnification clauses because it appropriates money and nullifies governmental immunity without the consent of the legislature. Unless there is a specific statute that allows a county to waive or allow a limitation on liability and indemnification clauses, it cannot agree to such terms. The general existing applicable law regarding duties and liability cannot be waived.

Generally, contract clauses in derogation of the County's prohibitions are found in the list below and are not acceptable.

- Provisions requiring the County to pay taxes that we are exempt from paying under Tennessee law.
- Provisions requiring the County to pay cancellation fees, incidental or consequential damages, or punitive or exemplary damages. County is liable for actual damages only.
- Provisions requiring the County to pay punitive damages, attorney fees, collection costs, or costs of litigation .
- Provisions requiring the County to agree to assume the risk of liability which might otherwise fall on other parties are void as both an unauthorized attempt to abrogate sovereign immunity and an unauthorized attempt to lend the County's credit (Tenn. Const. I, § 17; Tenn. Const. art. II, § 31).
- Provisions requiring the County to insure, guarantee, or indemnify or hold harmless the Vendor or any party from claims which may arise out of the Agreement or be brought by third parties (OAG 93-1, OAG No. 99-095, OAG 04-065).
- Provisions that limit or cap the total liability of any other party.
- Provisions requiring the County to purchase or obtain liability, property, or other insurance or a performance bond. The County self-insures its exposures in general liability.
- Provisions designating the governing law of a state other than Tennessee.

- Provisions designating the Venue for any claim brought against the County other than Tennessee.
- Provisions requiring confidentiality and nondisclosure that violate the Tennessee Open Records Act (T.C.A. § 10-7-101, *et seq.*). Except as otherwise provided by statute, all County records are public records and open to inspection by any citizen of this State (T.C.A. § 10-7-503).
- Provisions providing for a limitation of time in which the County may bring suit (T.C.A. § 28-1-113).
- Provisions limiting the Vendor's maximum liability. The County cannot waive its right to recover from the vendor what the law would provide under otherwise governing applicable legal principles.
- Provisions that simply attempt to restate the existing law.

The above is not an exhaustive list. Different contract clauses may set out prohibited duties and rights, and/or limitations/waivers differently.

All proposed contracts for Montgomery County's review must be delivered as a WORD document for use to exchange suggested revisions.
